ELIMINATION ROUNDS

a) Team eliminations will be organized only within the **Montenegro Grand Prix**, in the following categories:

Teams will be automatically formed after the qualification rounds from the three best placed competitors of the same category. Subsequent interventions in the list of competitors that make up the teams are not possible: if a certain national team is represented by more than 3 competitors in a certain category - no substitutions of competitors are allowed; neither is it allowed to transfer competitors from one category to another, nor is it allowed to merge competitors from different national teams into the same team.

Competitors from other countries can qualify for the elimination matches **only** for the Montenegro Grand Prix tournament.

REGISTRATION FEE

Competitors: **€50** per participant

Officials: **€25** per person

By paying the registration fee, national teams from the Balkans ensure the participation and ranking of their competitors in **both** tournaments.
